OBJECTIVE

Passionate web developer with a strong enthusiasm for utilizing my skills in HTML, CSS, and JavaScript. Eager to secure an internship opportunity in the MERN stack, I am excited about the chance to work with technologies like MongoDB, Express.js, React.js, and Node.js. I am highly motivated to learn and apply these tools in developing dynamic and interactive web applications.

SKILLS

- Frontend(Knowledge of Html,CSS and JS)
- Knowledge of version control systems (Git)

EDUCATION

Rawalpindi women university	**2021-2025**

BSIT
-

IMCG I-14/3	**2019-2021**

FSC
A+

F.G Sir Syed School Mall Road Rawalpindi	**2017-2019**

Matric
A+

PROJECTS

Dynamic counter(https://eashasatti.github.io/first-project/)
Experience real-time number tracking with our dynamic counter, designed as my first website to practice and showcase JavaScript concepts. Easily increment or decrement values and witness the power of interactive numerical updates in action.

Personal Portfolio website(https://eashasatti.github.io/Personal-Portfolio/)
This is simple showcasing my dedication to learning and honing my skills in HTML, CSS and JavaScript. Explore my portfolio or projects, ranging from simple websites to interactive interfaces, as I learn and grow in the world of Web development.
